Revised July 2014

The following document was transcribed from *The Cumberland Alleganian* and *The Cumberland Daily Times*, two newspapers of Cumberland, Md., and *Evening Star* and *Critic-Record*, two newspapers of Washington, D.C., all for the year 1875. *The Alleganian* was a Wednesday only newspaper and so there is some duplication with the Wednesday edition of *The Cumberland Daily Times*. The several newspapers do provide insight into life on the Canal in 1875, even though every edition of the four newspapers were not found, and of those which were found, not all included an article on the Canal or information on canal traffic. This is a companion document to: "Canal Trade 1875" which was transcribed from the same four newspapers.

The use of [brackets] indicates something this editor added to the text for clarity or consistency.

Users who search the newspaper transcriptions *Canal Trade 1875*, will find some variations in spelling. Every effort was made to reconcile the spellings; although not all variations in spellings were reconciled.
