Revised August 2015

The following document was transcribed from *The Evening Times*, a newspaper of Cumberland, Md. and the *Evening Star*, a newspaper of Washington, D. C. for the year 1894. The newspaper accounts do provide insight into life on the Canal in 1894, even though every edition of the two newspapers were not found, and of those which were found, not all included an article on the Canal or information on canal traffic. This is a companion document to: "Canal Trade 1894" which was transcribed from the same two newspapers.

The use of [brackets] indicates something this editor added to the text for clarity or consistency.

Users who search the newspaper transcriptions *Canal Trade 1894*, will find some variations in spelling. Every effort was made to reconcile the spellings; although not all variations in spellings were reconciled.
