A. PREFACE

After some research in the Allegany County Courthouse records the General Index to Miscellaneous Instruments (Vol. A to J and Vol. K to Z) was found and it was in that first volume that the following records for the Hampshire & Baltimore Coal Company were found. We suspect that the Hampshire & Baltimore Coal Company began selling coal freighting canal boats to ensure their product arrived at market. The Civil War had been waging for over three years, some canal boats had been burned by Confederate forces, some canal boats had been commandeered by Union forces and skirmishes all along the canal impeded the smooth flow of coal to Georgetown, Alexandria and Washington City. In the following mortgages the buyer was required to "use the said boat exclusively in freighting Coal," make "regular trips, both day and night, with as much expedition and regularity as can be reasonably done" and to "receive the loads of the said boat promptly at each trip, with the coal of such company or person as the said party of the second part shall direct." Clearly these were indentured boats in the exclusive service of the Hampshire & Baltimore Coal Company until their purchase money, with interest, was entirely paid. Even then "when all of said purchase money is paid off the boat aforesaid shall nevertheless continue to carry coal for the said party of the second part at the current rates as aforesaid, to the end of the season of navigation in the year when the last payment of purchase money under this present instrument shall be made."

All seemed to be working until after November, 1865. Then four of their boats had to be re-possessed and sold at public auction for the balance due on the purchase money. We suspect that contributed to the discontinuance of Hampshire & Baltimore Coal Company being in the retail sales of canal boats.

Volunteers and visitors are encouraged to read the enclosed mortgages as their time and interest permits. Feel free to send additional observations for the benefit of other volunteers and visitors.

At the request of the Hampshire & Baltimore Coal Company, this Mortgage was recorded Sep. 23 1864.

This Indenture made this twenty second day of September eighteen hundred and sixty four between Seth W. M. Buchanan of Allegany County, State of Maryland, party of the first part; and The Hampshire & Baltimore Coal Company of Allegany County, State of Maryland, party of the second part. Whereas, the said party of the second part has this day sold to the said party of the first part, the Canal Boat called "Wm. A. Boyden" at and for the sum of two thousand dollars, which the said party of the first part is to pay to the said party of the second part; in installments, and in the manner and upon the terms hereinafter mentioned, to wit: For the first twelve trips made by the said boat upon the Chesapeake & Ohio Canal the sum of twenty five dollars per trip is to be paid unto the said Hampshire & Baltimore Coal Company and for all succeeding trips the sum of fifty dollars ($50) is to be paid unto the said party of the second part until the entire amount of said purchase money is paid with interest thereon from this date crediting the respective payments thereon as of the time when such payments shall be made. And Whereas, it was part of said contract of purchase and sale between the said party of the first part, and the said party of the second part, that the said party of the first part shall use the said boat exclusively in freighting Coal from Cumberland to Georgetown, Alexandria or Washington City, in regular trips, both day and night, with as much expedition and regularity as can be reasonably done; and to receive the loads of the said boat promptly at each trip, with the coal of such company or person as the said party of the second part shall direct; and to freight the same at the lowest current rates which shall be paid by the Cumberland Coal & Iron Company, the Borden Mining Company, the Central Coal Mining & Manufacturing Company, the Consolidation Coal Company, and the Hampshire & Baltimore Coal Company; and to keep said boat in proper repair; and that the said party of the first part will not during the continuance of this instrument of writing assign, transfer or set over, or otherwise by any act or deed permit the said boat to be assigned, transferred or set over unto any person or persons whomsoever, without the consent in writing of the said party of the second part or its authorized agent; and when all of said purchase money is paid off the boat aforesaid shall nevertheless continue to carry coal for the said party of the second part at the current rates as aforesaid, to the end of the season of navigation in the year when the last payment of purchase money under this present instrument shall be made; all of which said stipulations the said party of the first part hereby covenants and agrees with the said party of the second part and its assigns, to fulfill and perform. And Whereas, the said party of the first part is anxious to secure unto the said party of the second part, and its assigns, the regular and due payment of each and every installment of said purchase money, and also to secure to the said party of the second part and its assigns, the regular payment and due performance of the covenants aforesaid, and the said party of the first part is willing to execute these presents.

Now, this Indenture Witnesseth, that the said party of the first part for and in consideration of the premises, hath granted, bargained and sold, and by these presents doth grant, bargain and sell unto the said party of the second part and its assigns, the Canal Boat called "Wm. A. Boyden" to have and to hold the same unto the said party of the second part and its assigns forever.

Provided Nevertheless, and it is hereby declared, to be the true intent and meaning of these presents, that if the said party of the first part shall well and truly pay unto the said party of the second part, or its assigns, the aforesaid installments of purchase money, upon each and every trip as aforesaid, until the whole purchase money, with the interest as aforesaid, shall be fully paid; and if the said party of the
first part shall well and truly do and perform all the covenants on his part to be done and performed, as set forth in this mortgage, then this instrument of writing, and every matter and thing herein contained, shall cease and be utterly null and void; otherwise to remain in full force and virtue in law.

And this Instrument, further Witnesseth, that it is mutually agreed between the parties aforesaid that in case of any default upon the part of the said party of the first part to make regular payments on account of said purchase money, as hereinbefore provided, or in case of a failure to make regular trips as aforesaid with said boat, or in case of a refusal or neglect upon the part of the said party of the first part to freight for the company or person designated by the said party of the second part, or its authorized agent, or in case of a failure or neglect to use all diligence, care and skill in making such trips with said boat, as before mentioned, or in case said boat is not kept in proper repair, or in case of a transfer without permission as aforesaid, or in case of a failure to perform any of the stipulations or recitals in this mortgage named, to be done and performed on the part of the said party of the first part, then, and in either event, the said party of the second part or its assigns or any duly authorized agent, is hereby authorized to take immediate possession of said boat, and after ten days public notice thereof in a newspaper printed in the City of Cumberland, to [sell] said canal boat, at public sale, as mortgagee, to the highest bidder for cash or on credit; and out of the proceeds of such sale pay first the expenses of such sale and advertisement, and then the balance due to said party of the second part or its assigns, of said purchase money and interest, and if there be on overplus the said party or its assigns, are to pay the same to the said party of the first part.

In Witness whereof, the said Seth W. M. Buchanan hath hereunto subscribed his name and affixed his seal, on the day and year first above written.

This Indenture made this twenty eighth day of October eighteen hundred and sixty four between Thomas Little of Allegany County, State of Maryland, party of the first part; and The Hampshire & Baltimore Coal Company of Allegany County, State of Maryland, party of the second part. Whereas, the said party of the second part has this day sold to the said party of the first part, the Canal Boat called "Mary Little" at and for the sum of two thousand dollars, which the said party of the first part is to pay to the said party of the second part; in installments, and in the manner and upon the terms hereinafter mentioned, to wit: For the first twelve trips (12) made by the said boat upon the Chesapeake & Ohio Canal the sum of seventy five dollars per trip is to be paid unto the said Hampshire & Baltimore Coal Company and for all succeeding trips the sum of fifty dollars is to be paid unto the said party of the second part until the entire amount of said purchase money is paid with interest thereon from this date crediting the respective payments thereon as of the time when such payments shall be made.

And this Instrument, further Witnesseth, that it is mutually agreed between the parties aforesaid that in case of any default upon the part of the said party of the first part to make regular payments on account of said purchase money, as herein provided, or in case of a failure to make regular trips as aforesaid with said boat, or in case of a refusal or neglect upon the part of the said party of the first part to freight for the company or person designated by the said party of the second part, or its authorized agent, or in case of a failure or neglect to use all diligence, care and skill in making such trips with said boat, as before mentioned, or in case said boat is not kept in proper repair, or in case of a transfer without permission as aforesaid, or in case of a failure to perform any of the stipulations or recitals in this mortgage named, to be done and performed on the part of the said party of the first part, then, and in either event, the said party of the second part or its assigns or any duly authorized agent, is hereby authorized to take immediate possession of said boat, and after ten days public notice thereof in a newspaper printed in the City of Cumberland, to sell said canal boat, at public sale, as mortgagee, to the highest bidder for cash or on credit; and out of the proceeds of such sale pay first the expenses of such sale and advertisement, and then the balance due to said party of the second part or its assigns, of said purchase money and interest, and if there be on overplus the said party or its assigns, are to pay the same to the said party of the first part.

At the request of the Hampshire & Baltimore Coal Company, this Mortgage was recorded Nov 7, 1864

This Indenture made this seventh day of November eighteen hundred and sixty four between Michael Shannon of Allegany County, State of Maryland, party of the first part; and The Hampshire & Baltimore Coal Company of Allegany County, State of Maryland, party of the second part. Whereas, the said party of the second part has this day sold to the said party of the first part, the Canal Boat called "Florence" at and for the sum of thirteen hundred and four dollars, which the said party of the first part is to pay to the said party of the second part; in installments, and in the manner and upon the terms hereinafter mentioned, to wit: the sum of fifty dollars is to be paid unto the said party of the second part for each and every trip upon the Chesapeake & Ohio Canal for the first ten trips, and during all the succeeding trips the sum of twenty five dollars is to be paid, until the entire amount of said purchase money is paid with interest, crediting the respective payments thereon.

And Whereas, it was part of said contract of purchase and sale between the said party of the first part, and the said party of the second part, that the said party of the first part shall use the said boat exclusively in freighting Coal from Cumberland to Georgetown, Alexandria or Washington City, in regular trips, both day and night, with as much expedition and regularity as can be reasonably done; and to receive the loads of the said boat promptly at each trip, with the coal of such company or person as the said party of the second part shall direct; and to freight the same at the lowest current rates which shall be paid by the Cumberland Coal & Iron Company, the Borden Mining Company, the Central Coal Mining & Manufacturing Company, the Consolidation Coal Company, and the Hampshire & Baltimore Coal Company; and to keep said boat in proper repair; and that the said party of the first part will not during the continuance of this instrument of writing assign, transfer or set over, or otherwise by any act or deed permit the said boat to be assigned, transferred or set over unto any person or persons whomsoever, without the consent in writing of the said party of the second part or its authorized agent; and when all of said purchase money is paid off the boat aforesaid shall nevertheless continue to carry coal for the said party of the second part at the current rates as aforesaid, to the end of the season of navigation in the year when the last payment of purchase money under this present instrument shall be made; all of which said stipulations the said party of the first part hereby covenants and agrees with the said party of the second part and its assigns, to fulfill and perform.

And Whereas, the said party of the first part is anxious to secure unto the said party of the second part, and its assigns, the regular and due payment of each and every installment of said purchase money, and also to secure to the said party of the second part and its assigns, the regular prompt and due performance of the covenants aforesaid, and the said party of the first part is willing to execute these presents.

Now, this Indenture Witnesseth, that the said party of the first part, for and in consideration of the premises, hath granted, bargained and sold, and by these presents doth grant, bargain and sell unto the said party of the second part and its assigns, the Canal Boat called "Florence" to have and to hold the same unto the said party of the second part and its assigns forever.

Provided Nevertheless, and it is hereby declared, to be the true intent and meaning of these presents, that if the said party of the first part shall well and truly pay unto the said party of the second part, or its
assigns, the aforesaid installments of purchase money, upon each and every trip as aforesaid, until the whole purchase money, with the interest as aforesaid, shall be fully paid; and if the said party of the first part shall well and truly do and perform all the covenants on his part to be done and performed, as set forth in this mortgage, then this instrument of writing, and every matter and thing herein contained, shall cease and be utterly null and void; otherwise to remain in full force and virtue in law.

And this Instrument, further Witnesseth, that it is mutually agreed between the parties aforesaid that in case of any default upon the part of the said party of the first part to make regular payments on account of said purchase money, as herein provided, or in case of a failure to make regular trips as aforesaid with said boat, or in case of a refusal or neglect upon the part of the said party of the first part to freight for the company or person designated by the said party of the second part, or its authorized agent, or in case of a failure or neglect to use all diligence, care and skill in making such trips with said boat, as before mentioned, or in case said boat is not kept in proper repair, or in case of a transfer without permission as aforesaid, or in case of a failure to perform any of the stipulations or recitals in this mortgage named, to be done and performed on the part of the said party of the first part, then, and in either event, the said party of the second part or its assigns or any duly authorized agent, is hereby authorized to take immediate possession of said boat, and after ten days public notice thereof in a newspaper printed in the City of Cumberland, to sell said canal boat, at public sale, as mortgagee, to the highest bidder for cash or on credit; and out of the proceeds of such sale pay first the expenses of such sale and advertisement, and then the balance due to said party of the second part or its assigns, of said purchase money and interest, and if there be on overplus the said party or its assigns, are to pay the same to the said party of the first part.

This Indenture made this twenty seventh day of March eighteen hundred and sixty five between Thomas Sammon of Allegany County, State of Maryland, party of the first part; and Hampshire & Baltimore Coal Company of Allegany County, State of Maryland, party of the second part. Whereas, the said party of the second part has this day sold to the said party of the first part, the Canal Boat called "Happy Traveler" at and for the sum of one thousand and seventy nine 34/100 dollars, which the said party of the first part is to pay to the said party of the second part; in installments, and in the manner and upon the terms hereinafter mentioned, to wit: for each and every trip made by the said boat upon the Chesapeake & Ohio Canal the sum of twenty five dollars per trip is to be paid unto the said party of the second part, until the entire amount of said purchase money is paid with interest thereon from 1st April 1865, crediting the respective payments thereon as of the time when such payments shall be made.

And Whereas, it was part of said contract of purchase and sale between the said party of the first part, and the said party of the second part, that the said party of the first part shall use the said boat exclusively in freighting Coal from Cumberland to Georgetown, Alexandria or Washington City, in regular trips, both day and night, with as much expedition and regularity as can be reasonably done; and to receive the loads of the said boat promptly at each trip, with the coal of such company or person as the said party of the second part shall direct; and to freight the same at the lowest current rates which shall be paid by the Cumberland Coal & Iron Company, the Borden Mining Company, the Central Coal Mining & Manufacturing Company, the Consolidation Coal Company, and the Hampshire & Baltimore Coal Company; and to keep said boat in proper repair; and that the said party of the first part will not during the continuance of this instrument of writing assign, transfer or set over, or otherwise by any act or deed permit the said boat to be assigned, transferred or set over unto any person or persons whomsoever, without the consent in writing of the said party of the second part or its authorized agent; all of which said stipulations the said party of the first part hereby covenants and agrees with the said party of the second part and its assigns, to fulfill and perform.

And Whereas, the said party of the first part is anxious to secure unto the said party of the second part, and its assigns, the regular and due payment of each and every installment of said purchase money, and also to secure to the said party of the second part and its assigns, the regular prompt and due performance of the covenants aforesaid, and the said party of the first part is willing to execute these presents.

Now, this Indenture WITNESSETH, that the said party of the first part, for and in consideration of the premises, hath granted, bargained and sold, and by these presents doth grant, bargain and sell unto the said party of the second part and its assigns, the Canal Boat called "Happy Traveler" to have and to hold the same unto the said party of the second part and its assigns forever.

of said purchase money, as herein provided, or in case of a failure to make regular trips as aforesaid
with said boat, or in case of a refusal or neglect upon the part of the said party of the first part to freight

At the request of the Hampshire & Baltimore Coal Co., this Mortgage was recorded April 25, 1865.

This Indenture made this twenty fifth day of April eighteen hundred and sixty five between Jesse F. Thompson of Allegany County, State of Maryland, party of the first part; and The Hampshire & Baltimore Coal Company of Allegany County, State of Maryland, party of the second part. Whereas, the said party of the second part has this day sold to the said party of the first part, the Canal Boat called "W. A. Boyden" at and for the sum of fifteen hundred and nineteen dollars, which the said party of the first part is to pay to the said party of the second part; in installments, and in the manner and upon the terms hereinafter mentioned, to wit: for the first six trips made by said boat on the Chesapeake & Ohio Canal the sum of seventy five dollars per trip is to be paid unto the said Hampshire and Baltimore Coal Company, and for all succeeding trips the sum of fifty dollars is to be paid unto the said party of the second part, until the entire amount of said purchase money is paid with interest thereon from date, crediting the respective payments thereon as of the time when such payments shall be made.

And Whereas, it was part of said contract of purchase and sale between the said party of the first part, and the said party of the second part, that the said party of the first part shall use the said boat exclusively in freighting Coal from Cumberland to Georgetown, Alexandria or Washington City, in regular trips, both day and night, with as much expedition and regularity as can be reasonably done; and to receive the loads of the said boat promptly at each trip, with the coal of such company or person as the said party of the second part shall direct; and to freight the same at the lowest current rates which shall be paid by the Cumberland Coal & Iron Company, the Borden Mining Company, the Central Coal Mining & Manufacturing Company, the Consolidation Coal Company, and the Hampshire & Baltimore Coal Company; and keep said boat in proper repair; and that the said party of the first part will not during the continuance of this instrument of writing assign, transfer or set over, or otherwise by any act or deed permit the said boat to be assigned, transferred or set over unto any person or persons whomsoever, without the consent in writing of the said party of the second part or its authorized agent; and when all of said purchase money is paid off the boat aforesaid shall nevertheless continue to carry coal for the said party of the second part at the current rates as aforesaid to the end of the season of navigation in the year when the last payment of purchase money under this present instrument shall be made; all of which said stipulations the said party of the first part hereby covenants and agrees with the said party of the second part and its assigns, to fulfill and perform.

And Whereas, the said party of the first part is anxious to secure unto the said party of the second part, and its assigns, the regular and due payment of each and every installment of said purchase money, and also to secure to the said party of the second part and its assigns, the regular prompt and due performance of the covenants aforesaid, and the said party of the first part is willing to execute these presents.

Now, this Indenture Witnesseth, that the said party of the first part, for and in consideration of the premises, hath granted, bargained and sold, and by these presents doth grant, bargain and sell unto the said party of the second part and its assigns, the Canal Boat called "W. Provided Nevertheless, and it is hereby declared, to be the true intent and meaning of these presents, that if the said party of the first part shall well and truly pay unto the said party of the second part, or its assigns, the aforesaid installments of purchase money, upon each and every trip as aforesaid, until the whole purchase money, with the interest as aforesaid, shall be fully paid; and if the said party of the first part shall well and truly do and perform all the covenants on his part to be done and performed, as set forth in this mortgage, then this instrument of writing, and every matter and thing herein contained, shall cease and be utterly null and void; otherwise to remain in full force and virtue in law.

And this Instrument, further Witnesseth, that it is mutually agreed between the parties aforesaid that in case of any default upon the part of the said party of the first part to make regular payments on account of said purchase money, as herein provided, or in case of a failure to make regular trips as aforesaid with said boat, or in case of a refusal or neglect upon the part of the said party of the first part to freight for the company or person designated by the said party of the second part, or its authorized agent, or in case of a failure or neglect to use all diligence, care and skill in making such trips with said boat, as before mentioned, or in case said boat is not kept in proper repair, or in case of a transfer without permission as aforesaid, or in case of a failure to perform any of the stipulations or recitals in this mortgage named, to be done and performed on the part of the said party of the first part, then, and in either event, the said party of the second part or its assigns or any duly authorized agent, is hereby authorized to take immediate possession of said boat, and after ten days public notice thereof in a newspaper printed in the City of Cumberland, to sell said canal boat, at public sale, as mortgagee, to the highest bidder for cash or on credit; and out of the proceeds of such sale pay first the expenses of such sale and advertisement, and then the balance due to said party of the second part or its assigns, of said purchase money and interest, and if there be on overplus the said party or its assigns, are to pay the same to the said party of the first part.

At the request of the Hampshire & Balt. Coal Company, this Mortgage was recorded Aug. 7, 1866

This Indenture made this seventh day of August eighteen hundred and sixty six between John Reinhart of Allegany County, State of Maryland, party of the first part; and The Hampshire & Baltimore Coal Company of Allegany County, State of Maryland, party of the second part. Whereas, the said party of the second part has this day sold to the said party of the first part, the Canal Boat called "Ingomar" at and for the sum of one thousand eight hundred & twelve 39/100 dollars, which the said party of the first part is to pay to the said party of the second part; in installments, and in the manner and upon the terms hereinafter mentioned, to wit: for every trip made by said boat upon the Chesapeake and Ohio Canal the sum of fifty dollars per trip is to be paid unto the said party of the second part, until the entire amount of said purchase money with interest thereon from date is paid, crediting the respective payments as of the date they shall be made.

And Whereas, it was part of said contract of purchase and sale between the said party of the first part, and the said party of the second part, that the said party of the first part shall use the said boat exclusively in freighting Coal from Cumberland to Georgetown, Alexandria or Washington City, in regular trips, both day and night, with as much expedition and regularity as can be reasonably done; and to receive the loads of the said boat promptly at each trip, with the coal of such company or person as the said party of the second part shall direct; and to freight the same at the lowest current rates which shall be paid by the Cumberland Coal & Iron Company, the Borden Mining Company, the Central Coal Mining & Manufacturing Company, the Consolidation Coal Company, and the Hampshire & Baltimore Coal Company; and keep said boat in proper repair; and that the said party of the first part will not during the continuance of this instrument of writing assign, transfer or set over, or otherwise by any act or deed permit the said boat to be assigned, transferred or set over unto any person or persons whomsoever, without the consent in writing of the said party of the second part or its authorized agent; and when all of said purchase money is paid off the boat aforesaid shall nevertheless continue to carry coal for the said party of the second part at the current rates as aforesaid to the end of the season of navigation in the year when the last payment of purchase money under this present instrument shall be made; all of which said stipulations the said party of the first part hereby covenants and agrees with the said party of the second part and its assigns, to fulfill and perform.

And Whereas, the said party of the first part is anxious to secure unto the said party of the second part, and its assigns, the regular and due payment of each and every installment of said purchase money, and also to secure to the said party of the second part and its assigns, the regular prompt and due performance of the covenants aforesaid, and the said party of the first part is willing to execute these presents.

Now, this Indenture Witnesseth, that the said party of the first part, for and in consideration of the premises, hath granted, bargained and sold, and by these presents doth grant, bargain and sell unto the said party of the second part and its assigns, the Canal Boat called "Ingomar " to have and to hold the same unto the said party of the second part and its assigns forever.

Provided Nevertheless, and it is hereby declared, to be the true intent and meaning of these presents, that if the said party of the first part shall well and truly pay unto the said party of the second part, or its
assigns, the aforesaid installments of purchase money, upon each and every trip as aforesaid, until the whole purchase money, with the interest as aforesaid, shall be fully paid; and if the said party of the first part shall well and truly do and perform all the covenants on his part to be done and performed, as set forth in this mortgage, then this instrument of writing, and every matter and thing herein contained, shall cease and be utterly null and void; otherwise to remain in full force and virtue in law.

And this Instrument, further Witnesseth, that it is mutually agreed between the parties aforesaid that in case of any default upon the part of the said party of the first part to make regular payments on account of said purchase money, as herein provided, or in case of a failure to make regular trips as aforesaid with said boat, or in case of a refusal or neglect upon the part of the said party of the first part to freight for the company or person designated by the said party of the second part, or its authorized agent, or in case of a failure or neglect to use all diligence, care and skill in making such trips with said boat, as before mentioned, or in case said boat is not kept in proper repair, or in case of a transfer without permission as aforesaid, or in case of a failure to perform any of the stipulations or recitals in this mortgage named, to be done and performed on the part of the said party of the first part, then, and in either event, the said party of the second part or its assigns or any duly authorized agent, is hereby authorized to take immediate possession of said boat, and after ten days public notice thereof in a newspaper printed in the City of Cumberland, to sell said canal boat, at public sale, as mortgagee, to the highest bidder for cash or on credit; and out of the proceeds of such sale pay first the expenses of such sale and advertisement, and then the balance due to said party of the second part or its assigns, of said purchase money and interest, and if there be on overplus the said party or its assigns, are to pay the same to the said party of the first part.

In Witness whereof, the said John Reinhart hath hereunto subscribed his name and affixed his seal, on the day and year first above written.
